**Grand Tour of
Japanese Gardens**

Grand Tour of Japanese Gardens

14D / 13N

Summary

Japan is famous for its variety and unique Garden philosophy.

Often inspired by Zen, Japanese gardens are full of symbols and allegories. Instead of emphasizing on flowers, beauty is created through harmony and self-introspection.

This itinerary specifically designed for Garden lovers, showcases various styles such as Rock gardens, Moss Gardens, Landscaped gardens, Strolling gardens, etc.

Through privileged encounters with Experts in Bonsai and Gardening, you will discover the secrets of the most famous and lesser-known Gardens of Japan in attractive destinations.
